**APPLY TODAY!**

## Eligibility Criteria

Candidates must have passed the 10th standard (SSC) or an equivalent examination from a recognized board.

## Selection Process

After receiving the applications, document verification will be conducted. Eligible candidates will then have to undergo an Aptitude Test and a Skill Test. The final selection will be based on the following weightage/merit criteria:

- SSC (10th) Marks: 40%
- Bamboo-based Aptitude Test: 30%
- Bamboo-based Skill Test: 30%
- Total: 100%

Detailed information regarding this admission process needs to be published via an advertisement. It is proposed to make this advertisement available at the office and publish it on the website: [www.brtc.org.in](http://www.brtc.org.in).

# OPEN FOR ADMISSION DIPLOMA IN BAMBOO APPLICATION

**2026-27**

*Start your  
academic journey  
with us today*

[www.brtc.org.in](http://www.brtc.org.in)

# LET'S BEGIN

## Orientation Week

- New students are introduced to the core principles of bamboo-based cottage industries and institutional operations.
- Guided tours of the campus, including the Bamboo Setum and workshop facilities, help students familiarize themselves with the technical environment.
- Students receive academic guidance to help them succeed throughout their 18-month diploma journey.

## Financial Aid

- The institute operates under the Government of Maharashtra, supporting the education and upliftment of rural and tribal populations.
- While specific scholarship programs should be confirmed with the office, the institute provides highly affordable education with a fee of only Rs. 3,000 per semester.

## Global Network

- Students gain exposure to cutting-edge technologies through organized visits to prominent national institutions such as IWST, IPRITI, and IIT-Mumbai.
- Graduates become part of a growing workforce dedicated to the sustainable development of bamboo construction, furniture, and handicraft sectors.
- The program facilitates connectivity with diverse industries and centers of excellence in bamboo research.

# CAMPUS EXPERIENCE

## Student Clubs

Students get exposure to cutting-edge technologies in the field of bamboo through various visits to industries and institutions.

## Career Support

The course focuses on generating a workforce for the bamboo sector, including construction, furniture, and other bamboo-based industries.

## Housing Services

Free hostel facilities are provided for students. The campus includes a Bamboo Setum, workshops, a library, and a computer room to support the learning experience.

## Research Focus

- Innovation is supported through study tours and exposure to cutting-edge technologies at institutions like BCDI, KFRI, IPRITI, and IWST Bengaluru.
- Students gain hands-on experience in our specialized Bamboo Setum and dedicated workshops.

# STUDY PROGRAMS

## Degree Tracks

- Flagship Program: Diploma in Bamboo Application\*, a 2-year full-time course divided into 4 semesters.
- Government Approved: This is a Government of Maharashtra (GOM) approved diploma course, affiliated with the Maharashtra State Board of Technical Education (MSBTE).

## Online Access

- Prospective students can access and obtain application forms and the prospectus online through our official channels.
- All important notifications, including candidate lists and test dates, are regularly updated on our website: [www.brtc.org.in](http://www.brtc.org.in).

\*Program Status: Diploma in Bamboo Application nomenclature is currently subject to final approval from the Government of Maharashtra.\*
